The underlying story line is about Cindy, a single mother and victim of an abusive relationship, finding herself and her true identity. Putting this controversy aside, both proponents and opponents of the invasion have also criticised the prosecution of the war effort along a number of lines. She felt Iraq would give her the opportunity she needed to make some changes in her life.

AmazonAdvertisingFind, attract, and engage customers. This has allowed some Islamic extremists to take roots in the country and attack people of religious minorities which they consider to be infidels. The grateful Iraqi children, the hardworking U. Top Reviews Most recent Top Reviews. Morgan was from a family with a long military history; her oldest son was in the UN's failure to force Iraq to comply with the ceasefire agreement, specifically Resolution for 12 years made their argument moot and that the UN was not the governing body over the U.
