The volume offers a comprehensive and properly balanced account of the entire range of dispute resolution techniques. Alexandra Lahav's In Praise of Litigation provides a much needed corrective to this flawed perspective, reminding us of the irreplaceable role of litigation in a well-functioning democracy and debunking many of the myths that cloud our understanding of this role.

Internationallitigationstrategiesandpractice[.WestAcademicPublis
An effective civil litigation system is accessible to parties who have suffered legal wrongs, and it is reliable in the sense that those with stronger claims tend to prevail over those with weaker claims. As the balance between, on the one side, traditional human rights such as the right to privacy and due process is shifting towards, on the other side, the modern need for security, efficiency and quick access to justice, the perception of what is admissible or not Il
