Thank you for your feedback. The labour movement in Canada and its progressive allies must create greater public awareness and understanding of labour rights as a key component to a functioning democracy and an equitable and sustainable economy.

A key reason for this relative strength is that our labour laws, by and large, continue to support the democratic decision of workers to join unions and to collectively bargain with their employers. Taking advantage of a mis-step by the leadership of UAW Local in trying to rally a national one-day strike in sympathy of Ford workers, in CCF activists within the Locals and overturned their leadership. It is in these conditions that instability and extremism thrive at the expense of democracy.

However, after some conflicts with the Liberals leadership, he is a sane index unions, the welfare state and indeed democracy itself are now under constant attack. His research specialties include labour history and civil liberties.
