The Manwife Chronicles: As Pantless as I Want to Be by David Kaa

When you're unemployed pants are like days of the week - meaningless. For almost two years David Kaa has found himself unemployed, sorting his wife's.

Not sure why all the past "Needs Reviewed" popped up now, but ok. So why don't y'all tell me how your days is going? The Manwife Chronicles - As Pantless as I Want to Be shows the humor and creativity of one man once his mind has been freed from pointless, life-sucking meetings.

When you've been unemployed for days and counting, it's gotta be hard to keep going. I'll be honest, I don't always read TheManwife's blog, but I do enjoy following him on Twitter and when I do read his blog I find it quite funny so when he let everyone on Twitter know about his book, I figured it would be a good read. Today is gonna be another crap day.

I don't laugh out-loud often while reading, but I was chuckling through most of it. A few were actually laugh out loud funny.
