God knows your heart and is not so concerned with your words as He is with the attitude of your heart. Am I in the right place? Fully equipped with opinion polls, sociological studies, intellectual histories, and classic economics texts, Boldt dismantles the foundations of our consumer society brick by brick and, more importantly, our unquestioning acceptance of it.

The alternative is a path of awareness, of flowing, and of sufficiency that to  
This is one of the most helpful books I have ever read. Read my full disclosure statement. With exercises designed to help readers find their own balance between societal demands and their own deepest desires, this helpful, inspiring book offers the chance to experience a new feeling of abundance in all aspects of life.
