A Biblical Theology of God in New Testament Theology (Library of Biblical Theology) Adultery. Systematic theology takes the Bible as a completed whole, and endeavors to exhibit its total teaching in an orderly and systematic manner, seeking particularly to relate its message to issues of the present day; NT theology deals with the material from the historical standpoint and with a special concern for origins and development, seeking to cross cultural barriers and to discover what the message meant to the original speakers and their respective audiences. From the perspective of the Resurrection, the earliest followers of Jesus were able not only to surmount the scandal of the cross but also to appreciate the cross as the climax of a ministry which was throughout the fulfillment and apex of redemptive history.
