Publisher's Summary Now includes "Deep Sleep" as a bonus track! With this collection of Sleep Learning recordings from certified hypnotherapist Joel Thielke, not only will you sleep the whole night through and wake up feeling rested, but you will learn how to increase your motivation and self-esteem, and move past self-doubt. The special inductions will gently guide you into your REM stage of sleep, working with your subconscious to make lasting change that you can see. What will you learn? You actually have the ability to manifest the life and success you desire. The guided meditation and soothing background music will deeply relax your body and mind for the perfect night's sleep, while helping you control anxiety, increase your focus, and get the most out of your powerful mind. Comments Add a comment. So I encourage you to enroll and make this course, but I encourage you even more to start this journey! That's why, after helping my clients to solve some emotional issues they didn't know they had, I created this super motivational boost you need and get more done with this hypnosis program!
