The son of a minister, Philip got his start working summers at the Oak Ridge National Laboratory for Nobel laureate Eugene Wigner and has been active in public affairs his entire adult life. This is definitely a book to make you think. More Liberty Means Less Government.

Removing due process from individual v. But I do know history, and I think I have a pretty good understanding of the way things work. The result is a serious decline in the application of common sense and severe damage to our society. Philip is a friend and is doing great work on discussing how we got into such an awful place with government regulations.

The Lost Art of Drawing the Line. Open Preview See a Problem? I do recommend it highly, but in almost every chapter I found myself skipping ahead as topics were discussed and then rehashed.
