The Vulgar Latin in the region of Gallia took on a distinctly local character, some of which is attested in graffiti [47]which evolved into the Gallo-Romance dialects which include French and its closest relatives. In the late Roman era, in addition to colonists from elsewhere in the Empire and Gaulish natives, Gallia also became home to La disparition d'Odile (French Edition) in-migrating populations of Germanic and Scythian origin, such as Alans. This section does not cite any sources.

Their settlement was officialized with Jacques Chirac's family regrouping. Today, many immigrants speak another tongue at home. The Canadian province of Quebec census population of 7, where more than 95 percent of the people speak French as either their first, second or even third language, is the center of French life on the Western side of the Atlantic; however, French settlement began further east, in Acadia.

Henceforth, children born in France from French parents were differentiated. Celtic Languages in Contact: Since the beginning of the Third

Republic –the state has not categorized people according to their alleged ethnic origins.
