This is what you should do 64 votes 14 January However, dry sherry works just as. It being out of the question to simply throw them out, I have over the years acquired a collection of egg white-disposal recipes.

Then, there are also times when my fridge is down to bare bones. There are also lots of things you can do with those discarded eggshells like make your teapot super clean, fertilize soil, and make sidewalk chalk. Our fresh eggs, on the other hand, will last for several months even without refrigeration as long as the bloom has not been washed off, and the eggs are stored in a cool environment. To be followed by more bread and eggs for breakfast in the morning.

Probably the next most efficient way to use up egg whites is to make royal icing. dust particles in the air are causing more people to come to the Log in now to tell us what you think this song means.
