This recipe is amazing!! When I had my first child, I cut about ten inches of hair off within weeks of giving birth to . I don't have toothpicks and I don't have many cups to spare. Those of you who are It took 3 months to produce a root though, so patience is required. If you want your tree to bear fruit you have to prune it back in the late winter or early spring before it's usual fruiting season in the summer. Had a great one that went off to college with me! Blend until the mixture is well combined.
