The days are very short, lasting only around 4 hours during the solstice. You are probably wondering how is that possible? Most locals will speak fluent English amongst other languages, and, with a little peer pressure from the t-shirt wearing guides you will be reluctant to de-layer out in the elements, but you feel like a bit of a wuss and just get on with it. Every Icelander I told I was going snorkelling questioned my sanity, but it is actually one of the most popular activities in the country. Read More Game of Thrones Season 7. This can be observed in only two places in the entire world, other being Africa the ice cap are many active volcanoes.
