Dr. Ken Shore: Angry Outbursts in Class (Part 1) | Education World

An angry student might display his temper in a variety of ways. He might be unresponsive to the teacher, disengaged from the learning process, and withdrawn.

The Angry Student Quotes by Victoria Matthews

A student who displays angry outbursts can throw a classroom into turmoil. In dealing with an angry student, avoid arguing with her or threatening her.

Potential energy is stored energy. It is a problem, however, if he expresses his anger in a way that is hurtful to peers or disruptive to your class.

Hi Kristen, I would handle it exactly as written. This will only fuel his anger and risk triggering an outburst. Make observations to provide evidence that energy can be transferred from place to place by sound, light, heat, and electric currents. You might, for example, have the angry The Angry Student draw a picture, work with clay or Play Doh, write in a journal, or take a walk supervised, of course.
