Jul 26, Elana rated it really liked it. So much so, that I, my mother, husband and both grown kids read it. I feel the emotions and personalities of the deceased.

Yhayalgunashistoriastiernas. Those parts interestingly I enjoyed the last part. The book came to my life in the right time. James is an expert on this subject, since he has been in touch with those feelings most of his adult life. One of the best things about this book is the positive protection and visualizations that he recommends.

Interestingly I enjoyed the last part of this book more than anything. This book entirely changed my thoughts and beliefs on life after death. James also relays physical traits and death conditions as evidence.
