Cardiac arrest survivors were aware of what was going on around them while they were 'dead' - including seeing doctors trying to save them or hearing conversations - before being 'brought back to life', the study revealed. I discussed longevity planning in this article in the New York Times. It's been 10 years since Lehman Brothers collapsed, setting off a global recession. What if she'd rather have the money than the ring? Every risk is an opportunity to waiting to happen if executed. Before your body is cold, someone will ask how much you were worth. I admit I should have done this earlier. Whether it's student loans or other kinds of debt, paying off debt is always a good thing.
