Hitler and Himmler planned to use the SS as the basis for the racial "regeneration" of Europe following the final victory of Nazism. The highest civilisation and culture, apart from the Ancient Indians and Egyptians, are found exclusively among the white races; and even with many dark peoples, the ruling caste or race is fairer in colour than the rest and has, therefore, evidently immigrated, for example, the Brahmins, the Incas, and the rulers of the South Sea Islands. Published June 4th by Wiley first published May 26th AddedtoYourShoppingCart. This is nowhere better illustrated than in John McKean's pursuit and exploration of that enigma, the profitable customer, through his book Information Masters. The Nazis also claimed that the Spanish and Portuguese empires were examples of Nordic power since, at the time, their governments were run by the descendants of the Germanic Visigoths that had invaded earlier.
