Large media companies are not likely to go away overnight, nor will the need to communicate by phone or meet people in person, but social media is providing yet one more means of engaging with people on this vast planet of ours, and if used effectively can give all of us greater choice in how we live and what happens in our world. It used to be a big deal that Oprah had over 20 million people watch her show every week or that the New York Times was read by millions of people, and while these large media outlets still control much of our attention, now with social media, power is increasingly more widespread. What We Can Influence It used to be a big deal that Oprah had over 20 million Its Your World watch her show every week or that the New York Times was read by millions of people, and while these large media outlets still control much of our attention, now with social media, power is increasingly more widespread.
