The offensive positions include: Following a goal, the ball is put into play as soon as all players are back in their respective halves of the pool. If a driver gets free from a defender, the player calls for the pass from the hole set and attempts a shot at the goal.

Depending on the ball carrier's location, the goalkeeper is positioned along the goal line. Please help improve it to make it understandable to non-experts without removing the technical details. As popular as it is in certain parts of the world, it can be a little confusing. These are easy to spot since the referee whistles a few times and points at the guilty player who must swim to a penalty corner much like a penalty box in hockey. Unsourced material may be challenged and removed. The rules of water polo were first codified in 1884.
