Encouraged by all my teachers at the time, I started holding meetings in As I see it, the pathless path of awakening on the spot is really about discovering and then allowing this surrender in ever-deeper ways, and forgiving ourselves when we fail. Try the Kindle edition and experience these great reading features:

They showed me that nothing is set in stone, that things can change, that we can. Each story of awakening is unique but this experience often involves similar challenges. Believers, people who have had profound personal experiences of the spiritual world find themselves isolated although they may actually be a quiet majority.

I watched her letting go with incredible grace. During the experience, doubt changes and feels very different than .
