Christina is the co-author of Your Loss: She feels women business leaders should also call on the Government to offer more affordable levels of sponsored childcare, as an example. She provides insight into the behavioural and cultural differences between men and women. With a strong business and marketing acumen, Christina has an ability to engage with a wide variety of business audiences; she is also immediately personable and has the ability to motivate with her energy, passion and enthusiasm individuals from any field. Your Loss is available in print or from Amazon Kindle.

Our award winning editorial team PPADigital Brand of the Year ask the big questions and challenge the status quo. Women have to try harder to prove they are just as good as or better than men.
