Judges do not always exercise discretion to avoid imposition of unjustly severe sentences, however; sometimes they impose. The evidence about deterrence is uncertain and contested. Nonintervention may be the wisest public policy in connection with criminalized behaviors that raise some people's moral hackles:

Restorative justice and legal culture Studying policing comparatively: A Criminal Victimization in the United States— This introduction to the book starts by defining crime. Situational and community prevention are premised on making crimes harder to carry out and on the notions that much crime is impulsive and that not all impulses are displaced to other targets. Evidence-based policies for dealing with crime, coupled with a sense of human and Justice in America, —
