Book Review: 'The Plot Against Hip Hop' by Nelson George

A bad-ass noir novel set in hip hop culture, by best-selling and "The Plot Against Hip Hop is a quick-moving murder mystery that educates its audience D Hunter is a tough, black-clad product of crime-ridden Brownsville.

The Plot Against Hip Hop : Nelson George :

D Hunter, owner of D Security, finds himself poorly investigating the murder of his friend and hip-hop critic, Dwayne Robinson. Along the mystery of D's murdered friend, the author seems to investigate the intersection of art, culture, commerce, and politics.

The book is well-written, but the plot is poorly thought. If you're not into hip-hop, I can't imagine it would do much for you, since the story is so deeply immersed in that world. You are commenting using your WordPress.

Overall a good read for me to start the new year. D Hunter's investigation into his mentor's murder leads into a parallel history of hip hop, a place where renegade government agents, behind-the-scenes power brokers, and paranoid journalists know a truth that only a few hardcore fans suspect. He's managed to establish himself as the head of a very successful security firm specializing in the world of hip-hop, working award shows, video shoots, private parties, and so forth.
