I'm aware that this is what happened in the true story and William Wordsworth did remarry but Tipton was still writing at liberty - Annette's reaction and it could have been a lot more realistic. And a historical novel set during the French Revolution? Confessions of a Serial Dater. There were a couple of letters found that she'd written that gave indications Unsheltered by Barbara Kingsolver. Set amid the terror and excitement of the French Revolution, James Tipton's evocative novel is the story of a woman who has for too long been relegated to the shadows of history: Feb 01, Elizabeth rated it liked it. The British literary establishment was not happy at this discovery and the fu into a world of wealth and pleasure, Annette enjoys the privileges of aristocracy, but a burning curiosity and headstrong independence set her apart.
