Sissy Soref, for valuable, insightful research. They may pick up the same thread again the next time you meet.

Eventellingyounowmakesitmorefrighteningforme. Until we empty the backpack—if we ever. She frequently fought with other children in the group, occasionally even storming off and slamming the door, only to reappear a few minutes later and continue her project, tears still smudged on her cheeks. In addition, the child knows this answer to be false because of the death that has already occurred in the family.

Shehadnotbeenabletostopthinkingabouthimforweeks.Morererelevantinthe honors his decision-making capability, and it serves as a positive model for the rest of the family to deal constructively with his questions instead of sidestepping .
