Official site [Japan].

Once again, this is due to the extremely narrow legal definition of insanity.
There are moments of somewhat corny chat recreation, but the complete picture of the person behind the titular screen name is chilling enough to forgive those phoned-in reenactments. I know a lot of awesome men, and if the author is being an asshole to men then the author is an asshole. It is their ability to blend in that makes them very dangerous, frightening and yet very compelling to the general public. Just as we extend the term "furniture" to items like bookshelves and shoerack
