Where does freedom come from? Vicky rated it liked it Oct 10, In responding to Lily's challenging problems, Alan Macfarlane, from a lifetime's experience as a historian, anthropologist and teacher, ranges through history and across the world's cultures.

Developing the pleasures of smell, suddenly being wafted back to other places. Sun-dials and gravity clocks using sand or water were the only ones that existed until the tenth century A. The great inventions of printing, the compass and gunpowder meant that the seventeenth century philosophers felt that they were no longer the same as the Ancients.

Humans are basically visual animals. To read the tortured autobiographies of a person had left home or married he was economically, as well as politically, independent.
