Aye-aye - Wikipedia

Start by marking "The Aye-Aye and I" as Want to Read: () Originally published in , this was Durrell's last book, a record of his final animal collecting expedition and ongoing conservation efforts in Madagascar. I've seen aye-ayes in his zoo at Jersey and can attest.

The Aye-Aye and I - MADAMAGAZINE

The fourth largest island in the world, Madagascar is home to woodlice the size of golf balls, moths the size of Regency fans and the Aye-Aye, a type of lemur.

According to Dunkel et al. Hilaire, Chiromyidae Bonaparte, Genus: Encouraged to write about his life's work by his brother, Durrell published his first book, *The Overloaded Ark*

The last book Durrell published during his life about his trip to collect str... The book follows the team as they search for a number of different aye-ayes and I When I first picked this *The Aye-Aye and I* up in the library I thought that it was a fiction book. Durrell is certainly a great storyteller, and the book doesn't disappoint for laughs, anecdotes, and insights into what pioneering conservation-zoology was like. The aye-aye is the main purpose of the expedition, but throughout the journey was struggling significantly with his health by the time of this trip, and mentions how tough the potholed roads were on his hips, but mostly turns his physical travails to humorous effect, like his intestinal issues on first arrival.
