As the boys grow, their spheres change. He felt this every time he saw a man or woman walking down the road who resembled the photo his obachan kept of his parents, and he was sure that like magic or wishful desire, they would recognize the baby they'd left .

Through the struggle that each character has, the reader is shown different. And while it jumped around from character to character a lot, I followed it with no problem, like finishing a conversation with one friend and then taking a call from. Two sisters, daughters of a sumo master, lose their mother and the book primarily intertwines between these two families. Eventually both his and his obachan's stories began to hurt his stomach, giving him cramps that left his skin clammy and his head spinning. You know who dies by who is not mentioned!
