It was pretty good for the first book in a series. I picked this up as a Kindle freebie because I love a good ghost story. I can see why. Mary O'Reilly sees and can communicate with ghosts after a near death experience. Just read it and enjoy the ride. I can say with certainty that I will be continuing with this series, which is not a sentence I usually put in a review about a cozy mystery series.

My favorite thing about the story was the supernatural and the mystery solving. I decided to just finish it I got into the story and the characters and ended up really liking this story.
