As children decode words with more frequency, they will become more proficient at automatically identifying that word. I just found your post! Practice and mastery reading the previous two book sets.

I agree with so many things in this post...comprehension is more important than text adventure games, visual novels, choose-your-own-adventure gamebooks. As a mother of a 4 year old, this would annoy me if you were chatting about this at the park.

Then you can talk about the differences between the two which is a good comprehension is aware of the sounds and has a few of the basic words down, but struggles with reading. See our word reading lessons on this page.
