Maelstrom is the reason I own a kindle. Hitmitsu Studios cover was so appealing I needed it in my life. The whole 8 book series makes up basically one yaoi.

Published 1 year ago. Longing for Spring Yaoi Manga.

Published 2 months ago. Description Demetri knows giving in to Malstrum's desires will protect his band of miners, but the heterosexual Earthling will struggle with violent courtship rituals on a planet devoid of women. Books In This Series 8 Books.

However, this title makes my transition very easy. Earthmen are considered he is a human, earthlings are prized for their ability to be in tune with their planet's Rhythms, and they can be the best mates for Secren Maelstrom 1 (Yaoi), though, unfortunately for Demetri, due to his small stature, he will have to take the submissive role. So needless to say, I didn't bother downloading the 2nd book and I will not be continuing this series even though the story was VERY interesting to me.
